### **About Department**

The Department of Mechanical Engineering at AGPIT is as old as the Institute itself. Today, the department of mechanical engineering of AGPIT attracts and features an extraordinary rich diversity and quantity of talented individuals, with nearly 200 undergraduates supported by experienced and highly qualified teaching and nonteaching staff. There is a concerted effort to raise the "Aspirational reference point" of the pupils undergoing graduate program in engineering by subjecting them to continuous value addition. Hence The Department has been producing excellent results with distinctions in the university examinations consistently. In addition to classroom teaching learning processes students are guided and encouraged to be familiar with emerging technology. Our students have been actively associating themselves with industries through industrial projects, in plant training and industrial visits with almost all Mechanical engineering-oriented organizations/industries.

Many of our alumni have pursued higher education in premier institutions world over & are at top executive positions at various enterprises such as Infosys, Wipro, Robert Bosch, MICO and innumerable software, Manufacturing, Mechanical Design and service organizations. The Department has taken the leading role in the MSME Incubation center, MODROBS ,IPR activities, EDC activities, NSS, sports and cultural activities of the institution.
