Career Guidance-2020

Awareness regarding CET/JEE/NEET examination and its importance in Engineering, study pattern, planning and its execution and how to select our future career. For this every year our institution arranges expert session by our faculty in junior science colleges in the Solapur city and especially in rural areas like Naldurg, Anadur, Omerga, Akkalkot, Dudhani, Mandrup (Maharashtra) & Madgyal, Sunk (Karnataka) etc.

Due to hectic schedule of 12th science students they are unaware of their career, field or trade/branch to choose for their bright future. Arranging such career guidance session with proper presentations like facilities, infrastructure, branchwise placements in engineering, skills require to crack interview helps students to have glimpse in the interested area. Many students are unaware of social media and technology, importance of scholarship for various category like SC/ST/VJNT, OBC, EBC, EWS etc. and documents required to avail such scholarship. All directions, guidance and necessary help will be provided at every steps of admission in engineering or any other field.

Career Guidance-2021

Awareness regarding CET/JEE/NEET examination and its importance in Engineering, study pattern, planning and its execution and how to select our future career. For this every year our institution arranges expert session by our facultys in junior science colleges in the Solapur city and especially in rural areas like Naldurg, Anadur, Omerga, Akkalkot, Dudhani, Mandrup (Maharashtra) & Madgyal, Sunk (Karnataka) etc.

Due to hectic schedule of 12th science students they are unaware of their career, field or trade/branch to choose for their bright future. Arranging such career guidance session with proper presentations like facilities, infrastructure, branchwise placements in engineering, skills require to crack interview helps students to have glimpse in the interested area. Many students are unaware of social media and technology, importance of scholarship for various category like SC/ST/VJNT, OBC, EBC, EWS etc. and documents required to avail such scholarship. All directions, guidance and necessary help will be provided at every steps of admission in engineering or any other field.
