

1st National conference

On

Innovative Trends in Engineering and Technology-2016

(NITET-2016)

Chief Guest: Prof. Smt. S.D.Deshpande (Principal, Govt. Polytechnic-Solapur)

Keynote Speaker: Dr. R.S.Menthe (Professor, SUS)

: Prof. S.N.Naik (Professor, WIT-Solapur)

Venue: Seminar Hall, main Building, A.G.Patil Institute Campus, Solapur.

Program schedule of NITET-2016

09:30 am to 10:15am	Registration of Participants
10:15 am to 10:15am	High tea
10:30 am to 11:15 am	Inauguration
11:15am to 11:30 am	Photo Session with participants
11:30am to 11:40 am	BREAK/HIGH TEA FOR GUESTS
11:40 am to 1:30 pm	Paper Presentation by Mech. And civil Engg. participants at conference Hall main building and Paper Presentation by General Science ENTC and CSE Participants at Seminar Hall 1 at Computer Dept.
1:30 pm to 02:30 pm	LUNCH
02:30 pm to 04:30 pm	Paper Presentation by Mech. And civil engg. participants at conference Hall main building and Paper Presentation by General Science ENTC and CSE Participants at Seminar Hall 1 at Computer Dept.
04:30 pm	Certificate distribution to the Mech. And civil Engg participants at conference Hall and participants General Science ENTC and CSE Participants at Seminar Hall 1 at Computer Dept.

REGISTRATION:

The registration began from 9:30 a.m. onwards on both the days.

On both days of the conference total of **66** participants were registered including participants from in and around Maharashtra and also from the organizing institute.

Spot registration was also available for participants on both days of the conference.

All registered participants received the Kit.

The Conference Proceedings at Seminar Hall On 11th March 2016

Session I: Keynote Address

Prof V.V.Potdar vice principal, introduced the Keynote Speaker for Keynote Address by prof Naik and session was shared by Dr.S.R.Dulange.

Prof. Naik. Presided over the session as a Keynote Speaker. He guided and emphasized the importance of research in industry and in academics. He emphasized that the academic development should not stop only at research level or Ph.D. but should be converted into patent filing as well as commercial use ensuring employment generation. He highlighted on recent research and significance of research in the areas like defense, industry and academics during his energetic presentation.

Vote of thanks for the Keynote Address Session was proposed by Prof.Mujawar.

Session II:

Prof. Kulkarni started the session with welcome and introduction of the Session Chair Prof. Dr. R.S.Menthe.

Participants presented research papers in various fields of engineering and technology. Around **120 research papers** were received from various parts of the country, out of which **66** were selected.

CONCLUDING STATEMENT:

NITET-2016 provided opportunity for the delegates to exchange new ideas and share experiences of research in their fields.

FEEDBACK:

- Dignitaries present during 2-Day National Conference highly appreciated the efforts.
- Participants were much impressed by the management of the conference being 1st National Conference.
- Participants appreciated the ambiance of the campus, institute building, Conference kit, quality of presentation, schedule and arrangement as well as seminar hall and facilities in the hall.
- Dignitaries and Participants also appreciated food during both days of the conference.
