

Biodata

		
Name	Dr. (Mrs) . Sakhare Surekha Ruturaj	
Designation	Asoc Prof Electronics and Telecommunication Dept Research and Development Center Chairman ,AGPIT	
Experience	26 Years	
Qualification	B.E (Electronics and Telecommunication) M.E (Electronics and Telecommunication) PhD (Electronics and Electrical Engg) Research Topic: “ Efficient detection of Bacterial blight and Grading Pomegranate using Magnetic Resonance Sensor Imaging”	
Subject Teaching (UG level): Network Theory ,Communication systems , Network and Lines , Microwave Engineering , Computer Networks, Mobile Communications.,Pattern Recognition,Image processing , signal systems ,Digital Communication.Electronic Measurements and Instruments, Basic Analog Commn, Digital Commn System, Electronic Communication and System , Industrial Measurement, Mobile Commn Electronic Material and Components Satellite Communications, E waste Management , Artificial Intelligence and Machine Learning, Finanacial Management		
Paper Presentation in Conference	5	
Papers Published	5	
Workshop attended	20	
Workshops organised	10	
Participation as a Resource Person in Workshops	3	
Email-id	surekha.sakhare@agpit.edu.in
